Caleb: Few more.
Caleb: Atta girl.
Caleb: Now sharpie.
me: how now?
Caleb: Man the harpoons, etc.
me: ?
Caleb: 4chan, brah.
Caleb: If you don't know.
me: oic
me: OLD MEME
Caleb: Old memes from an old guy.
Caleb: I'M A 30-SOMETHING, AFTER ALL.
Caleb: By the by, thanks for the happy birthday wishes.
Caleb: CUNT
me: hey, no problem
me: if you were my LinkedIn friend, I'd have been informed
me: that it was, uh, Christmas
me: and thus your birthday
me: but no one told me it was Christmas
Caleb: Which only underscores our desperate need for a President Santorum.
me: HEY DO YOU KNOW WHAT SANTORUM MEANS
Caleb: I do.
me: Sullivan got called out for repeatedly making stupid references to that shit (so to speak)
Caleb: And he relented, like a fucking faggot.
me: he should relent, it's fucking gay
Caleb: No, it's gay fucking!!!!!!
me: more like
Caleb: Also, it's not.
me: Hey, I hate black people.
me: I mean, I was trying to think of a different word than "black"
Caleb: Wut?
me: Santorum
Caleb: Listen, jack.
Caleb: He's a reprehensible cat.
Caleb: More catholic than the pope.
Caleb: And the frothy thing is totes hilar, as the gays would say.

Caleb: It's a meme worth disseminating to the majority of folks who haven't had their eyes on the balls for the past eight years.
me: good point

me: that's an appropriate tact to take in such a piece
me: wait
me: nevermind, forgot the concept
me: would have better if those two lines were not in it
Caleb: You're not into men?
me: never said that
Caleb: Hey, remember that Nikki gal?
me: oh, yeah
